## Short Essay

This is a test of your ability to respond in English to a question about a global issue. Select one essay question from the three choices and write your answer. Provide clear examples to support your view. Your response should be between 300 and 500 words in length.

- 1 . Does the ongoing conflict between Hamas and Israel in Gaza, which has resulted in large numbers of civilian deaths and injuries demonstrate the value of the United Nations as being almost the only organization that is able to provide humanitarian aid to civilians in Gaza? Or, does the inability of the UN to stop this conflict demonstrate that this international organization is ineffective and needs to be replaced by a better one? If it needs to be replaced, what would that new organization look like?
- 2 . If you could study abroad in any country, where would you want to go, what would you want to study, and why?
- 3 . Of all the books you have read, which one is your favorite and why?
