《About Certification of Credits Obtained at Universities or Junior Colleges, etc.

before Admission to Meiji Gakuin University》

Credits previously earned in universities, junior colleges, or the departments of junior colleges or specialized vocational high schools are sometimes certified as credits earned at Meiji Gakuin University if Meiji Gakuin University recognizes that the credits are educationally beneficial.

However, please understand in advance that not all previously earned credits are thus certified. Newly-enrolled students who wish to have credits certified must bring below and submit them at class orientation by Kyomu-ka on Sep.13th.

(i) The grades certificate recording the earned credits

(ii) A document explaining the content of their classes (the syllabus, etc.)

Certification other than at the time of admission and additional certification is not provided.

You will be contacted individually about the date, time and place for your credit certification interview.
